

Welcome to AMICO CARE: Your Pathway to an International Diploma in Adult Nursing & Social Care

About Us:

AMICO CARE is a trusted and reputable training company dedicated to providing high-quality education and professional development in the field of Adult Nursing & Social Care. With a team of experienced instructors and industry experts, we are committed to shaping competent and compassionate healthcare professionals who make a positive impact on society. Our mission is to empower individuals with the skills, knowledge, and confidence to excel in their careers and contribute to the well-being of others.

Courses We Deliver - Mandatory Training:

At AMICO CARE, we understand the importance of comprehensive training to ensure the highest standards of care in the healthcare industry. Our courses cover a wide range of essential topics that are crucial for any aspiring healthcare professional. Here are the mandatory training courses we deliver:

1. **Emergency First Aid:** Gain the knowledge and skills to provide immediate care and assistance in emergency situations, including CPR, wound management, and basic life support.
2. **People Handling & Risk Assessment:** Learn safe techniques for assisting and moving individuals, as well as conducting risk assessments to ensure the well-being of both patients and caregivers.
3. **Medication / Infection Control:** Understand the principles and practices of medication administration, as well as infection control measures to prevent the spread of diseases in healthcare settings.
4. **Equality & Diversity:** Explore the importance of equality, diversity, and inclusivity in providing person-centered care and fostering a positive and respectful environment for all.
5. **Safeguarding:** Develop an understanding of safeguarding vulnerable individuals, recognizing signs of abuse, and implementing safeguarding measures to ensure their protection.
6. **GDPR / Communication & Record Keeping:** Learn about the General Data Protection Regulation (GDPR) guidelines and acquire effective communication and record-keeping skills essential for maintaining accurate and confidential patient information.
7. **Mental Capacity & DOLS:** Gain insights into mental capacity legislation and Deprivation of Liberty Safeguards (DOLS), enabling you to support individuals in making informed decisions about their care and protecting their rights.

8. Health & Safety, Risk Assessment & Fire Safety: Acquire the knowledge and skills to ensure a safe and secure environment for patients and staff, including understanding health and safety regulations, conducting risk assessments, and implementing fire safety protocols.

9. Nutrition: Explore the importance of nutrition in maintaining overall health and well-being, including understanding dietary requirements, meal planning, and promoting healthy eating habits.

10. Hydration and Well-being: Learn about the significance of hydration and its impact on an individual's physical and mental well-being, as well as strategies to ensure proper hydration levels in healthcare settings.

Who is it for?

Our comprehensive training program is designed for individuals who are passionate about making a meaningful difference in the lives of others. Whether you are an aspiring healthcare professional looking to start your career or an experienced caregiver seeking to enhance your skills, our courses provide a solid foundation for personal and professional growth. We welcome individuals from various backgrounds, including recent school graduates, career changers, and healthcare professionals seeking to expand their knowledge and capabilities.

Entry Requirements:

To enroll in our program, you need a minimum educational qualification of 10th or 12th grade and above. We believe in providing equal opportunities for all individuals who possess the dedication and commitment to excel in the healthcare field.

Course Duration:

Our comprehensive program spans a duration of 6 months, ensuring ample time for you to acquire both theoretical knowledge and practical experience. The program consists of 3 months of interactive classroom sessions, where you will learn from experienced instructors and engage in hands-on activities. Following the classroom sessions, you will undertake a 3-month internship, allowing you to apply your acquired skills in a real healthcare setting and gain valuable practical experience.

Career Path:

The completion of the Diploma in Adult Nursing & Social Care course opens

up several career opportunities for you. While this course does not enable you to practice as a registered nurse, it greatly assists you in pursuing any accredited program recognized by the Nursing and Midwifery Council (NMC). Many career paths are available to students who enroll in NHS regulatory courses, enabling them to advance their careers and take on more responsibilities.

Here are some potential career opportunities and their approximate salary ranges:

1. Social Worker - £40,000 (Approximately)
2. Adult Nurse - £37,000 (Approximately)
3. Clinical Support Worker - £30,000 (Approximately)
4. Mental Health Nurse - £30,000 (Approximately)
5. Health and Social Care Worker - £35,000 (Approximately)
6. Midwife - £40,000 (Approximately)

Fees Structure:

We believe that quality education should be accessible to all individuals who aspire to pursue a career in Adult Nursing & Social Care. Our program is priced at INR 55,000 + GST, ensuring affordability without compromising the quality of education and training you will receive.
